MANJRI STUD FARM

The home of freedom and flight.

Imagine a world where horses gallop as living embodiments of the spirit unbound. At the heart of SP Kingstown lies the rich and regal legacy of the Manjri Stud Farm. Evoking a charmed life, it is one of the oldest equestrian centres in the country. The stud farm was originally established by Sir Sultan Chinoy. It then passed into the hands of the Scindia royal family. The stud farm was then bought by the Shapoorji Pallonji Family. It's beautiful landscape, dotted with century-old trees, retains its original heritage architecture, maintained in all its historic glory.
